Christopher J. Messinger
Mogadore Police Department

Dear Jake,

Due to the current economic climate, the Village of Mogadore is experiencing severe financial problems. These financial problems have led to the Village having a lack of funding to continue to employ eight (8) full-time officers at this time.

Thus I regret that I have to inform you that the Village will be laying you off effective July 22, 2009.

Hopefully the financial picture of the Village will improve and we will be able to recall you back to work in the near future.

The Village of Mogadore and myself thank you for your dedication and hard work.

Sincerely,

Michael A. Rick
Mayor
